Saipan /Guam Mission Update

I have forwarded this letter from Loida Park from Saipan. She is the main reason we went to Saipan. We wanted to get her in touch with the church there. She went to church this past Sunday, January 25, with us we also had lunch with the preacher from the church there on this past Saturday, January 24. She seems to know most of the people on the island as she is a highly respected accountant also works getting aliens their immigration papers. She is greatly loved and appreciated. She will be able to be a great influence for Jesus we hope and pray. I was able to take a pie from her from Saipan to her son here on Guam and I delivered it last night.

John Cooper

You are always welcome. anytime. Overwhelmed being visited. I will be seeing the people in the church for sharing and caring. I got busy yesterday I finished at 7pm. The baker at the bakery brought al of sweets funny. I said u left already. I enjoyed our beach activity first time and was great. I will be using snorkel so I know when u come back. Thank you for the bibles the greatest gift for us. we were together for short time but I will be missing you for long. Pray that your every trip is safe. Thank for your efforts and time to see me and the people at church. Best regards to both of you. I love and miss u.

Memory Verse For February-Rev. 21:4

“He will wipe every tear from their eyes.”

Our Gathering Today

Feeding on the Word:

"Time." A strange entity. James eludes to it when he reminds us that we don't know how much of it we have left (James 4:14-17). And then, Paul tells us we would be wise to **"Redeem the time"** (Ephesians 5:15-16). This morning we will study **Part One** these divine principles together and ask God to challenge us as good stewards of time.

Welcome Guests! Thank you for being with us! We trust your time here this morning will be an encouragement and blessing and you might find this family of faith to be a place where you want to belong. Please let us know how we might serve you. Feel free to ask if you have any questions about our church.

Acts of Service...The Face of Jesus.

Homeless shelter: Special appreciation to **Pam Hurd** and her merry band of homeless shelter servants who faithfully serve the first Monday of each month. Also, thanks to all of you who take the Lasagna trays, heat them up and deliver them. In addition **Ron and Kay Wilson** and **Tom and Robin English** regularly bless the homeless with socks, candles and care packets (big plastic coffee containers). We have also recently started buying pocket size bibles (New Testaments) which we are distributing as well.

****The Truth Project.****

Many of you were wondering when we might get to discuss these videos. Well, due to an audio glitch (that we eventually figured out) this past Wednesday night, we had an impromptu class discussion on the videos we had seen so far. We talked about Truth, morality, evidence of a Creator in design, predictability in the universe, and the way such studies fortify the faith of believers and challenge the world views of the skeptic and the truth seeker. **So, if you missed this past Wed. nights video on "Who is God?" you have another opportunity to see it this Wednesday night at 7pm. Bring a friend, neighbor or Truth seeker!**
