## My Mom's Faith

In Paul's second letter to Timothy he says this to Timothy: "I have been reminded of your sincere faith, which first lived in your grandmother Lois and in your mother Eunice and, I am persuaded, now lives in you also" (II Timothy 1:5). Timothy's mother had a great impact on him and his faith. Likewise, my mother has had a great impact on me and my faith.

As most of you know my mother had a stroke several weeks ago in Branson, Missouri and is still struggling with the affects of it. Two week-ends ago my Dad drove her home to Denver. Lord willing we will be in Denver this week-end on Mother's Day visiting her in a rehabilitation facility. She has not progressed as much as we had hoped for but she knows her loved ones and I look forward to seeing her. It is difficult to see loved ones in less than their best condition. However, that is life. However, this life is not all there is.

Paul concluded his second letter to Timothy with these words of resignation and hope, "I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day- and not only to me, but also to all who have longed for his appearing" (II Timothy 4:7,8). I pray for much improvement for my mother's health. However, no matter what the future holds here in this life, I know her eternal future in the next life is bright. And so it is for all of us who have our Mother's faith in Jesus.

Thank you God for all the Godly mother's who have given the greatest gift possible to their children, the gift of faith.

In love and gratitude, John Cooper

### Home

I am writing this (probably my last) article from my parents' house outside of Louisville, Kentucky, and it's hard to describe how wonderful it is to be here.

Some things don't change: my father and I work around the property (mowing, chopping down trees - you know, manly stuff), the three of us sit outside and eat dinner, and we tell the same stories we always do, laughing at all the same parts. It is good to be home.

Some things do change: my parents and I age, friends move away, my old church demolishes the sanctuary and builds a new one. And so home is not the same as it once was.

Thankfully our true home does not change. Whether you're graduating, moving, or simply growing up, God has made a home for us that will always be. He has prepared a place for us. And 1 Peter 2:5 speaks of us being prepared *into* that very place. We "like living stones, are being built into a spiritual house."

If we as a (worldwide) church family have God as our head and our only love, then we are home. Even as our houses (brick-and-mortar or flesh-and-blood) decay, our home still stands.

Thank you all for letting me write these articles the past several weeks! I've enjoyed it, and I hope it has been a blessing to you. I'm sure you're excited like I am to welcome Brian and Rachel here and to be blessed by them! I look forward to reading Brian's words here!

Grace and peace,  
Lucas

### 2011—2012 Thursday Bible School Group

#### What is TBS About?

The TBS program is a ministry under the direction of the elders at the church of Christ of Grand Junction. Our mission is to provide a loving and safe environment for 2 to 5 year old children as well as providing their Moms with a well deserved day out. On Thursday of each week during the school year we focus on teaching the children love and respect for God, Jesus, the Holy Spirit, and others through Bible School activities. TBS began in 1996 at the encouragement of a former member who wanted to provide the funding. She provided funding for 15 years and now we are dependent on the generosity of the church, family and friends for our support. Our staff includes 2 retired teachers, a teacher's aide, a retired school bus driver, a nurse, a day care provider and grandmothers. All have been Bible class teachers for many years with experience in teaching and training children.

On Thanksgiving the children perform a every enjoyable program for parents and loved ones demonstrating what the have learned in song and verse. Afterwards, a Thanksgiving dinner is enjoyed by all. In addition, a meal and fellowship is held for widows & widowers toward the end of the school year.

This year started out with 32 students but wound up with 29 for most of the year. 11 of the 2012 class have been attending TBS for three years and now, due to old age, they must graduate to kindergarten. We will miss them but the staff is already preparing for the next group that will start in September. If your child or someone you know is interested in attending TBS next fall, please see Sharon Riddle as soon as possible. Classes are filling up quickly.

**A place to belong.**

Welcome to the church of Christ of Grand Junction! If you are visiting with us we want you to know how honored we are to have you. It is our desire to love God with all of our heart, soul, mind, and strength and to love our neighbors as ourselves (Mark 22:30,31). We are attempting to share His love with others through following Jesus' words, "Go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit" (Matthew 28:19). If you have any questions about anything that you hear taught or see practiced we would be glad to share with you the reasons for the faith we have. Just speak with one of our shepherds or ministers or call 970-245-4210 and we will gladly assist you!

*"So I say, live by the Spirit, and you will not gratify the desires of the sinful nature. For the sinful nature desires what is contrary to the Spirit, and the Spirit what is contrary to the sinful nature. They are in conflict with each other, so that you do not do what you want. But if you are led by the Spirit, you are not under law."*
