## Our Gathering Today

### **Feeding on the Word!**

**Roy and Cathy Karo** moved here from Craig, CO a few years ago and have been such a blessing to our church family as they have jumped in the middle of serving, greeting, teaching and otherwise being very engaged and active in many parts of our church family life. Thank you for your example of love and service Roy and Cathy! This morning **Roy** will preach for us!

### **Welcome Guests!**

Thank you for being with us this morning!

***(Please help yourself to coffee, juice, and donuts.)***

May you be spiritually fed and encouraged this morning by our simple gathering in the name of Jesus Christ as we sing, pray, share communion, encourage each other and open the Word of God together. We dismiss by about 11:30.

\*\*View our web site at [grandjunctionchurch.org](http://grandjunctionchurch.org) and Face Book page **Church of Christ of Grand Junction** to discover a little more about us.

***With much love and Appreciation!:*** Every year is different at CCYC and has its own unique personality. This is the first CCYC I (Doug) have missed in about 20 years...Yet I know it was a blessing and a gift to all who were there. **Thank you to all who provided scholarships and to all the Staff, most of whom had to take personal vacation time, who worked long hours, slept on a squeaky bunk with snoring kids and active kids and otherwise sacrificed themselves on the Mountain!**

## **Love One Another!**

Memory Verse For July: **Proverbs 4:23 NIV**

“Above all else, guard your heart, for everything you do flows from it.”

Due to youth camp this past week, there is no minister's article.

Please keep the following requests for prayers in your daily prayers. Thank You for taking time to bring these before the Lord, your prayers are so appreciated and needed. God bless.

Remember to pray for the families who have recently lost loved ones. Scott Webb family and the Yeager family.

Pray for Debra Trahern, who started radiation this week to try to completely rid her of the cancerous tumor that chemo has shrunk to the size of an almond. Pray it will work and make her cancer free...with no serious side effects. Pray for her comfort and for her family.

Pray for Doug and Ann Clayton as they travel about in Italy and later on their way home. Pray for safety and an enjoyable vacation.

Pray for Farrel Harris who has been very ill with bronchitis and then pneumonia. She is doing some better but still weak and has a ways to go to recovery. Please pray for a quick and complete recovery, for comfort and for Sandy as he cares for her.

And please remember to continue to pray for those with ongoing issues, such as cancer. We have a number who are fighting some type of cancer including:

Arlene Schweitzer, Sandi Fairbanks, Bob Tucker, David (Della B. friend) Shane Briggs, Theresa Mathews, Joe, (Bob Howards, brother in law). Robin, (Peg Sisco's friend), Linda Klassin, Sandi (Wes Beaver's mom).

Also remember these others who have various health issues: Tom and Robin English, Scott Hendricks, Lynne Harvey, Verlyn Mathews, Dick Truitt's, great grand daughter and the Antwine's great grand daughter, both born prematurely, Jan Nelson's friend Janice now in rehab, Kathy Diteman and Thelma Davis

Pray for our nation and our leaders. Pray for the world leaders. Pray for our president as he meets with the Russian leader...and for the situation with North Korea to be resolved in the best way for our safety and that of other nations.
