I Worry that I Worry too Much

I worry that I worry too much. Worry is a killer. A killer of joy, of time, of good times, of faith. I worry that I am not alone. It seems many of us worry more than we ought. I was talking to my dad yesterday and he says he stays awake at night worrying about what to do with my mom. As you recall she had a stroke several months ago and is not doing well. In fact today is her birthday and Holly and I are planning on driving to Denver to be with her this week-end. Lord willing we will drive to Montrose on Sunday to preach for the church there. I am a little worried about getting worn out from all the driving and decision making and preaching.

So how do we deal with worry? Jesus said, "Therefore don't worry about tomorrow, because tomorrow will worry about itself. Each day has enough trouble of its own" (Mt. 6:34). What is the "therefore" there for? It summarizes an idea previously spoken of, "Seek first the kingdom of God and His righteousness, and all these things will be provided for you" (Mt. 6:33). If we put God's kingdom first he has promised to take care of things like food, drink and clothing (Mt. 6:31). To decrease worry in our lives we must increase our faith in God (Mt. 6:30) and put His kingdom first in our lives.

May God increase our faith so we can worry less,
John Cooper

Welcome to the church of Christ of Grand Junction! If you are visiting with us we want you to know how honored we are to have you. It is our desire to love God with all of our heart, soul, mind, and strength and to love our neighbors as ourselves (Mark 22:30,31). We are attempting to share His love with others through following Jesus' words, "Go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit" (Matthew 28:19). If you have any questions about anything that you hear taught or see practiced we would be glad to share with you the reasons for the faith we have. Just speak with one of our shepherds or ministers or call 970-245-4210 and we will gladly assist you!
